

Action Together Training Calendar 2024/25

Action Together are committed to supporting the growth and development of our member organisations. We believe that by investing in the skills and capacity of our workforce, we can create a stronger, more resilient sector that drives positive change and transforms lives.

We want all our members to take advantage of our new Training Calendar for April 2024 - March 2025.

We've developed a diverse range of workshops, online training sessions and skill-building sessions.

The calendar is designed to empower and equip our members in Oldham, Rochdale and Tameside, with the tools and knowledge needed to thrive and make a positive impact in our communities.

All courses are open to all members in all localities, not just the area it's delivered in.

Training Calendar 2024 Theme: Testing & Embedding
